

**Stayner Collegiate School Council****Annual Report  
for the  
2017-2018 School Year**

Dear Parents/Guardians and School Community:

Welcome back! We hope you had a safe and happy summer. The SCI School Council had a very rewarding 2017-2018 year. The school council held 6 meetings on:

September 25 2017

October 30 2017

November 27 2017

January 29 2018

April 30 2018

May 28 2018

The council worked on various issues during the year, including the Grade 7- 12 transition that will take place in September 2018. These meetings were open to the public to encourage input from parents and other members of the school community.

The purpose of the school council is to help improve student achievement and to enhance the accountability of the education system to parents. School councils are advisory organizations. A school council's primary means of achieving its purpose is by making recommendations to the principal of the school and the school board. Boards and principals are responsible for considering the recommendations made by each school council and for advising the council of the actions taken in response to the recommendations.

Additional achievements of the school council in 2017-2018 included the following: A joint meeting with our transition schools Byng and Clearview Meadows was held. A lot of work to improve communications and welcome them to SCI was done this year. Fundraising activities are not conducted by this council. Support however is offered by this council to students and faculty with any fundraising activities they may have.

We wish to acknowledge the hard work and dedication of the many individuals who volunteered their time to contribute to the success of the school council last year. Special thanks are due to the following members of the 2017-2018 school council: Kerry Dowdall, Cindi Proud, Lorna Howlett-Lowe, Trish Humby, Josh Cabral and Danielle Allen. I would also like to recognize Mark Keating principal and Janice McLeod student success teacher for support of the council and excellent leadership within our school.

Finally, we would like to wish the best of luck to candidates in the September 2018-2019 school council elections.

Sincerely yours,  
Susan Michalchuk, Chair  
May 30 2018
