

Dear Parent/Guardian/Adult Student,

Canada's Anti-Spam Legislation (CASL) came into effect on July 1, 2014. Under the legislation, organizations must not send commercial electronic messages (CEMs) that encourage recipients to participate in any commercial activity, even if it is not-for-profit, unless they have the recipient's express consent.

Although not all of our email messages contain commercial information, we do at times email families about field trips, lunch days, yearbooks, special events or other items that may have a cost associated with them. We need your permission to send CEMs.

If you wish to receive electronic communication from us, please sign the consent form below.

If you have any questions or if you wish to withdraw your consent, you may do so by contacting the school or by following the unsubscribe instructions on any electronic message received.
