Student Handbook

The student handbook is available online at staynercollegiate.com and a paper copy can be obtained at our main office upon request. It provides students and parents/guardians with important information about student learning, assessments, code of conduct expectations, safety, parent involvement, attendance & punctuality procedures, student services, restricted use items appropriate use of internet and technology, bus transportation, health and wellness, calendars and more. Please review it and discuss expectations for behaviour with your child.

I understand that I am responsible for reviewing the student handbook and discussing expectations for behaviour with my child. I understand that failure to discuss or sign does not release my child from his/her need to comply.

Use of Student Personal Information

The student handbook includes a full notification statement which outlines how your child's personal information is routinely used for an educational or consistent purpose in accordance with the Education Act and the Municipal Freedom of Information and Protection of Privacy Act. In addition to the practices outlined in the agenda, we like to share our good news stories. From time to time, school and/or classroom activities such as student projects, achievements, activities, plays, athletics and presentations are photographed or recorded by school or board staff. Sharing these photographs and recordings is a wonderful way to celebrate and remember these activities, and to showcase our good news stories in the community. We are seeking your approval as follows:

- Post identifiable pictures and/or recordings of your child and their name on school and/or board websites, newsletters and/or social media websites (including Twitter, Facebook, our blog: staynercollegiate.com and YouTube);
- Share pictures and/or recordings of your child with other students/families in their class; and
- Allow the media to photograph, interview or record (audio or video) your child for the purpose of reporting good news stories and school activities – this may include identifiable images of your child and their name and location as part of their coverage.

Permission for my child's personal information to be posted on school or board web and social media sites and/or shared with other students/families; and for my child to be photographed or interviewed by the media as outlined above.
